New Orleans Cotton. character as regards everything except the very firm and many of the factors are held-movement for teday and the large "In ing for higher prices which buyers as a

Demand for spots was still strong, the lexific centers stated that there was a continued strong demand for retien goeds at the best figures of the season, and the cell mates for New Virious and thooron were noder those for the corresponding day last seeson.

There was some regrition on the break brought about by the light estimates for New Orleans and Houston by the light estimates for New Orleans and Houston longerow, which carried prices to the heat of the mening. The demand in a speculative way was not brink at any time during the session, and the missile public and the commission houses did not figure in any other capably than as profit-takers on the burges. The lines was bately electly.

The 'in sight' for the week showed a gain of about 10,160 bales as guapared with last week, but there was a decrease of more than 30,000 as compared with last seek, but there was a decrease of more than 30,000 as compared with last seek, but there was a decrease of more than 30,000 as compared with last seek, but there was a decrease of more than 30,000 as compared with last seek, but there was a decrease of more than 30,000 as compared with last seek, but there was a decrease of more than 30,000 as compared with last seek, but there was a decrease of more than 30,000 as compared with last seek will last seek will last seek but the full state ment comparison of the world's visible supply will receal a slight decrease as compared with tast year instead of 10,000 as will receal as the interior forms in the simulation of the week was 30,000 bales less than one year ago. The ports one half. The simulation so far as spet cotton is concerned is still strong, but the lears are as willing to sell on the bulbs are the bulbs. The simulation of a the bulbs are the bulb are the bulbs are the bulbs are the bulb are the

sight was posted, but closed at the lowest of the day.

The situation so far as spot cotton is concerned is still strong, but the bears are as willing to sell or the bulls are in bus.

Literpool recorded sales of 16,000 bales at unchanged questions; was 25,64 lower on contracts and due in be unchanged to merrow.
